Dear Colleagues & Researchers,

On behalf of International Journal of Physiotherapy and Research, I would like to express our sense of gratitude to the Researchers, Editorial members, Reviewers and Technical team, for their invaluable and remarkable contribution to maintain the high standards of the journal. It is an immense pleasure to announce that IJPR is launching its fourth issue in two formats i.e., online as well as Print version and it has been allotted its Print ISSN 2321-8975.

We are glad to inform that International Journal of Physiotherapy and Research has its recognition in various organizations around the world like Geneva Foundation for Medical Education and Research and Directory of Research Journal Indexing. We are yet to get more international indexations which will prove beneficial to the authors in the future.

More over we are very much thankful to the readers who have sent their valuable suggestions to improve the quality of the articles and also journal. The main aim of International Journal of Physiotherapy and Research is to bring various Research articles and treatment techniques under one roof and to get it recognized internationally which will contribute to the high standards of physiotherapy management & treatment delivery to the needy as well as for the academic excellence.

International Journal of Physiotherapy and Research is accepting articles (Original, Review, Case Reports, Letter to the Editor, Book Reviews) from the various branches of Physiotherapy, and also Rare Images In your Physiotherapy practice. We are also welcoming the more Physiotherapists to become a part of our team in the future.

With Personal Regards,
